

I'll do a better job if I know a little about you. Would you please supply the following information.

- (1) Name

- (2) How to pronounce your first and last name (if you don't think it'll be obvious to me)

- (3) Preferred form of first name (e.g. Bob for Robert, etc.)

- (4) A secret name or "alias", for posting of grades, that will be known only to you and me.
Just make up something!
Not your real name, and not an abbreviation of it, not your gmail username, etc,
not your person number, not your SSN --- nothing that can be traced to you.

- (5) Freshman, sophomore, junior, senior, grad ? (Circle.)

- (6) Which Ordinary Diff Eq course have you taken, and when?

- (7) Besides your answer to (6), have you taken, or are you taking, another course that involves differential equations? Which course?

- (8) Do you own a laptop that you could bring to class some days? Yes / No

If Yes, what operating system are you using? (circle) Linux / Mac / WIndows / other

- (9) With which, if any, of the following computer software do you have substantial experience? (Circle)

Python Mathematica Maple Matlab

- (10) What do you plan to do after you get your degree? (in a few words).
